

FREEDOM OF INFORMATION REQUEST – FOI 672

Questions:

I would like to know the number of incidents recorded for workplace bullying lodged against the Police and Crime Commissioner.

I would also like the total number made in the office.

I would like these figures from the incumbent's time in office to the most recent.

Answers:

The information requested is not held. Please note that the scope of the Freedom of Information Act is limited to recorded information held at the time of the request. There is no requirement on an organisation to create new information in response to a request. Therefore, this letter represents a Refusal Notice.

To assist you further, I can confirm that there are no incidents recorded for workplace bullying lodged against the Police and Crime Commissioner from November 2012 to date. Similarly, the total number of allegations made into the office of the PCC against the PCC is zero since the election of the PCC in November 2012 to date.
