

FREEDOM OF INFORMATION REQUEST – FOI 675

Question:

Are there any ongoing Investigations into the Roman Catholic Diocese of Clifton often known as 'The Diocese of Clifton'? Or any investigations involving the Diocese?

Answer:

The information requested is not held. Please note that the scope of the Freedom of Information Act is limited to recorded information held at the time of the request. There is no requirement on an organisation to create new information in response to a request. Therefore, this letter represents a Refusal Notice.

To assist you further, I can clarify that the role of the Police and Crime Commissioner for Avon and Somerset is strictly outside of any operational policing matters, such as police investigations and you may wish to consider directing your enquiry directly to Avon and Somerset Constabulary via the Police Freedom of Information webpage <https://www.avonandsomerset.police.uk/foi>
