<b>PCC DECISION</b>	<b>REF 2019/005</b>
---------------------	---------------------

**Decision Title: Yeovil Police Station Business Case**

**Decision summary:**  
Approval for the constabulary to proceed with development of a new build police station at the existing site at Yeovil – with a forecast cost range between £4.730m and £5.768m (final figure subject to contract).

**Background or reference to supporting papers:**

At the Constabulary **Infrastructure Board** in **July**, an initial Business Case ('Options Paper') was presented, with a recommendation to proceed with a new build scheme to replace Yeovil Police Station on the existing site.

Given the scale and costs of the proposed scheme, further refinement of the costings was commissioned. This was discussed at **PCB** in **July**, and delegated authority given to the OPCC CFO to endorse the scheme at the next Infrastructure Board, subject to the necessary cost assurances being provided.

A follow up paper ('Detailed Review of **OPTION 1 (Partial Refurb / re-build)** and **OPTION 3 (New Build)**) was taken to the **Infrastructure Board** in **August** and approval granted to progress with the new build option as set out.
