

## **FREEDOM OF INFORMATION REQUEST FOI 780**

Question 1: I am hoping to obtain electronic copies of the Avon and Somerset annual policing plans or, when applicable, police and crime plans from 2000 through today.

Answer 1: The Office of the Police and Crime Commissioner has received your request via the FOI Team within Avon and Somerset Constabulary (ASC), who will need to respond to you regarding A&S Annual Policing Plans, however, this office is able to answer you regarding the "Police and Crime Plans from 2000 to today". I have provided you with the four relevant Police and Crime Plan attachments. Please note that the Police and Crime Commissioner was elected in May 2012 and therefore the years prior to this are not applicable. The information you have requested exceeds the 6 MB outgoing message limit and has therefore been sent in two parts.

The Police and Crime Plans can be found here <https://www.avonandsomerset-pcc.gov.uk/Your-PCC/Police-Crime-Plan-2016.aspx>
