

FREEDOM OF INFORMATION REQUEST - FOI 792

QUESTION:

Under FOI please provide me with the projected leaving rate and separately plan recruiting and training rate for uniformed police over the next 10 years

ANSWER:

Please find attached a response to your enquiry. As you will notice this is for 5 years, not for 10 (as requested). This is consistent with our Medium Term Financial Planning (MTFP) time horizon and current planning work. Beyond that you may assume that we will keep recruitment and training at the level required to maintain officer numbers.

As you are aware we do not have our funding allocation confirmed for next year. We can make reasonable assumptions up to the end of the three year period of the announced police officer uplift. Further funding assumptions are speculative at this stage.

Our first draft MTFP (pre funding announcement I expect) will be published by the end of November as part of the Police and Crime Panel papers and Police & Crime Board papers for December.
